### **Cancellation Policy / No Show Policy 1/15/19**

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may prevent other patients from getting much needed treatment. Conversely, the situation may arise where other patients fail to cancel and we are unable to schedule you for a visit due to a seemingly “full” schedule.

**If an appointment is not cancelled at least 24 hours in advance there will be a thirty dollar (\$30) fee. This charge is not covered by your insurance company and will need to be paid before any appointment is scheduled.**
